

How the Elephant Got Big Ears.

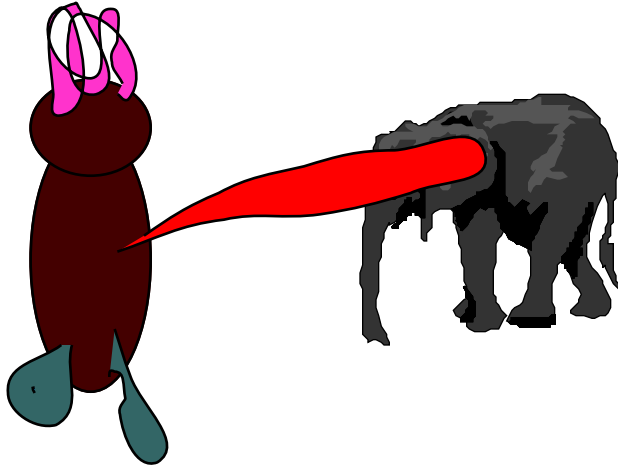

Written and Illustrated by Madison.

A long, long time ago there was a little elephant
wanted big ears.

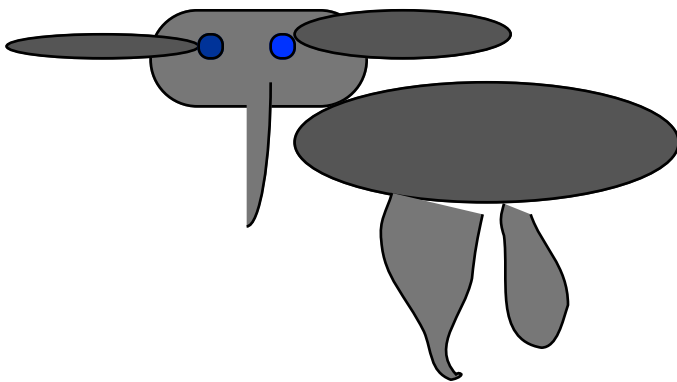

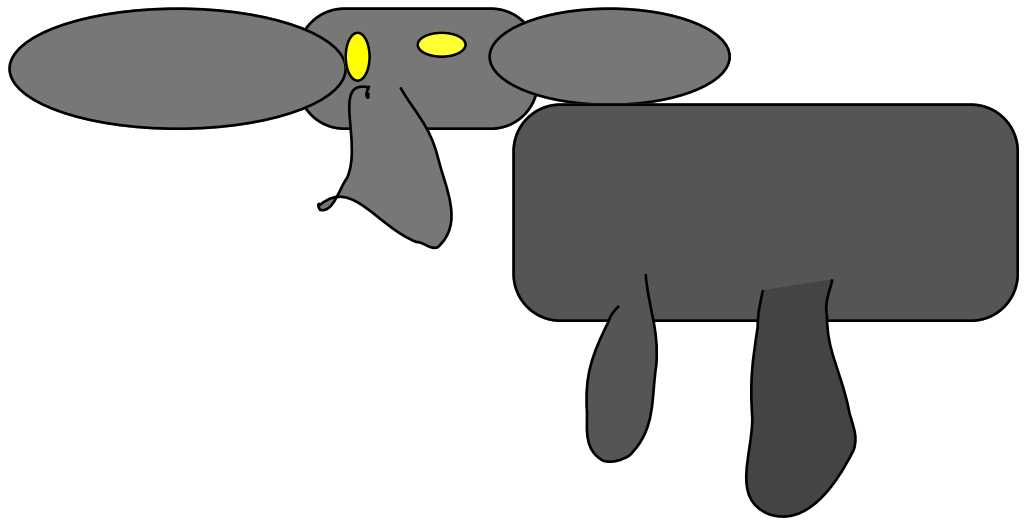

Nolwevastolckes pulled on his ears . .

The next day he looked in his mirror and his ears were huge.

From that day on, for weeks, all the other animals though they were cool.

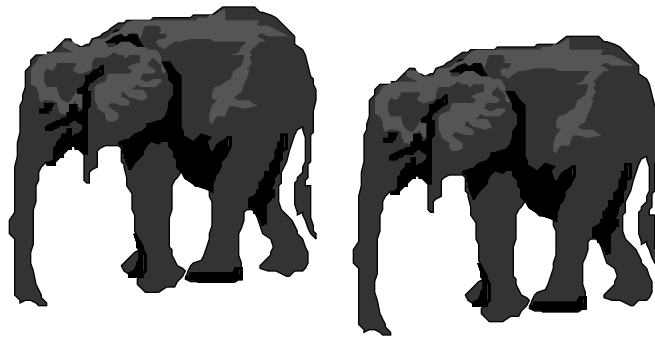

Eventually the other
elephants ears got big to.

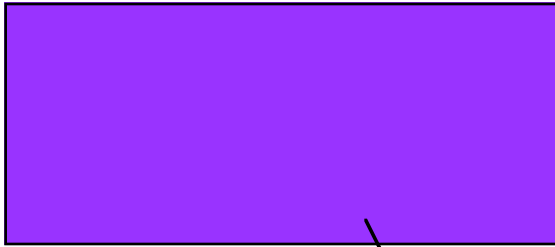

Nolwevastolckes

When other elephants were getting big ears, new elephants were born.

They asked questions like.....

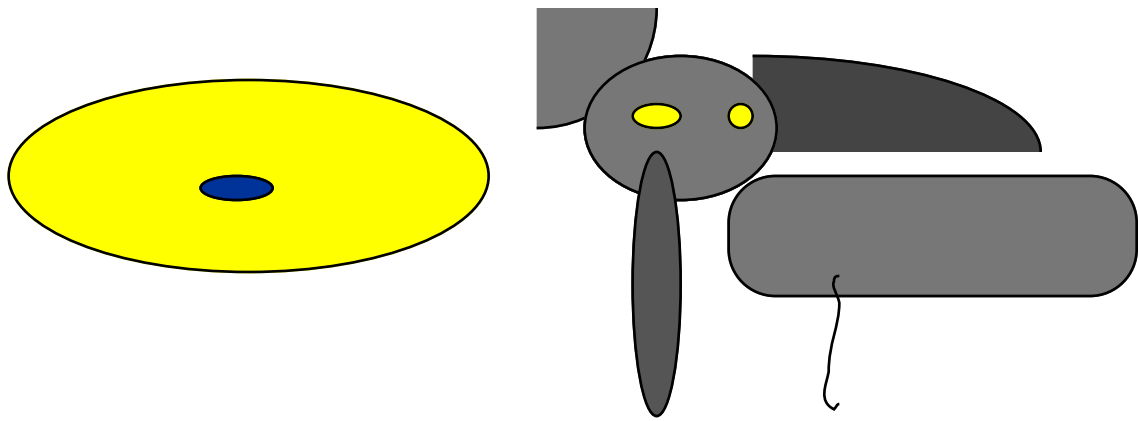

How did we get big ears?

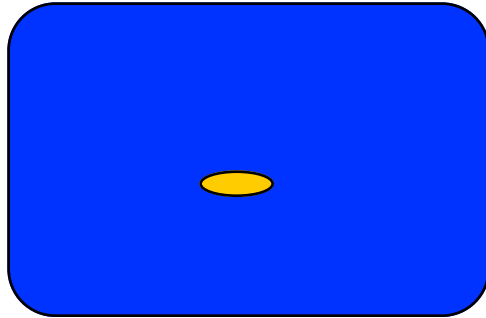

hummm.

From that day on all elephants had big ears t

And they also learned to think about what you wish

for before you wish
for it

about what you wish for before you wish
for it .

Thats how the elephant got big ears and
learned to think about what you wish for.
