Grade Six Class Council

The Mayor of our Grade 6 Classes is Davis. It was a close tie but I guess every body wanted to be cool. The council is: Emma C., Eliza C., Nathan W., Keaton L., Shayla A., Lindsay H. Katie J., and Chad B. You have a good idea, suggest it to council and they'll make it happen. Let's hope this year will be a great one!

Thanks to all the students and teachers for the amazing Halloween Carnival. The Grade 6 classes did a fantastic job on their haunted house. All the things you could do, draws and

prizes, fortune telling, Gooley Boogies, Pop the balloon, Bingo and tons more. Thanks for all that money that will go towards Unicef. I think we all had a lot of fun.

UNICEF Carnival

On Friday the 26th our school held the annual Unicef Carnival, all money we collect will be going to help supply schools around the world with pencils, desks, books, sports equipment etc.

While we were making money for Unicef we had fun at all the cool activities like the Haunted House, Bowling, and eating cupcakes. You even got to wear your costume in the afternoon.

Every classroom created an activity for the Unicef Carnival!

The Unicef Carnival took place from 1:30-3:30ish.

Girls' Gathering

At girls' gathering you get to meet new girls. It's a team of grade five and six girls who get together once a month from 7:00 to 8:00. The last one I went to, we talked about each other, and ourselves, played games and learned each other's names. Last year they had a bake sale and they got to watch movies, too. You make a lot of new friends at girls' gathering and you will have so much fun.

Remembrance Day assembly

Every student who has lost someone placed a poppy on a wreath to remember what he or she has done for us. The students who have members who survived the war lit a candle for their good deeds. Thank-you goes out to all the organizers of this important event.

A special thanks to all the soldiers who fought for our rights and our freedom. We will never forget.

Movie Review

The Bee Movie: This movie was a comedy about a bee and his life. It was fast moving, and had a fair amount of action. If you want to **bee** in the loop you should see this movie. I would give this movie 3 popcorns out of five.

What do you get when you cross a snail with a porcupine?

Answer: A slowpoke
